

What comes around goes around

You know us – we like to get around. Your driver delivers your box in his yellow van, we get to and from work on bicycles (well, most of us anyway), and we’re a sociable bunch, making new friends all the time. Not long ago we met Merlin and Rita from the charity Re~Cycle.

Re~Cycle do brilliant things. They collect and fix up unwanted bikes in the UK, and send them to partner organisations in Africa, where the bikes get put to very good use.

We’re getting involved and would love it if you did too. Fancy it?

There are two things you can do.

1. Donate your old bike (or bike parts, or bike tools).

Pledge your bike and bits, and help us reach our target of 650 bikes. Go to: www.abelandcole.co.uk/bigbikedrop

The Big Bike Drop will be on Saturday 2nd October, you’ll be able to drop off old bikes, bike parts, and any old bike tools.

Once you’ve pledged a bike, we’ll get in touch with more info (once we’ve sorted out the drop off points nuts and bolts).

2. Come to our party!

On Saturday 25th September we’re holding a pedal powered party – which kicks off The Wheelie Big Bike Drop - at our Wimbledon home. Because we believe life should be fun – even when trying to make the world a better place.

We’d love it if you joined us. There’ll be yummy organic burgers, beers and loads of bike-type fun.

We’ll be pedal-powering the smoothie machine and music, and you can find out a bit more about the work of Re~Cycle. You’ll also get a peek into life at Abel & Cole, meet Hank our rather unusual receptionist and say hi to Keith.

Email bigbikedrop@abelandcole.co.uk if you’d like to come along.
